

# Southend Sorcerers

Since our society was formed in 1971 we have helped many groups raise thousands of pounds for their respective charities or good causes.

Our unique evening of family magic offers a fun, original and entertaining way of fund raising, which will leave your guests talking about your event for days.

At a typical show you'll see up to 10 close-up magicians perform magic right under your nose, and 3 varied stage acts.

Our special nights are offered to you at a very reasonable price in order to help you with your fundraising. In fact, most of our clients cover our fee from the raffle proceeds alone!

We use our shows to raise funds for our own club activities, and none of our members are paid for their hard work - we all just enjoy performing.

So book **Southend Sorcerers** and let us create the magic for you.
